MORE TO BE ADMIRER THAN THE RICHEST DIADDEM

Worn by Kings or Emperors

WHAT! WHY A BEAUTIFUL HEAD OF HAIR. Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head be bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

New York, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color: about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

S. THALBERG.

Welsh Newspaper office, 13, Nassau st.,
April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARDEW.

New York, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. J. G. KILBY.

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.
The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small; retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3.

JENKINS & CO.,

WHOLESALE DEALERS

IN TEAS ONLY,

PHILADELPHIA.

The new crop of Tea is now arriving,

and selling much below the high rates of the past year; the present therefore opens with the pleasing prospect of our again being able to furnish as good an article for the price, as formerly. We also take pleasure in announcing that we have concluded to extend the time on small bills, heretofore sold on two and three months, to three and four months credit.

Thousands of Grocers and general Storekeepers now sell Teas in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against teas put up in this convenient form. This unexampled success is the legitimate result of a business uniformly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "SMALL PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers are recommended to order small and frequent bills.

Those who still prefer the old way, are furnished with teas in the original half chests, at three cents per lb. less than in Metallic Packages.

Why is the Demand so Great for

DR. MANN'S AGUE BALSAM?

Because it will, in all cases, safely and effectually cure that much dreaded scourge of the West—Chills, Fever and ague—without fail, and in cases will counteract the poison of Malaria, of which fact thousands testify; and, unlike all other nostrums, it is only recommended for one class of diseases, and as a tonic it is unsurpassed. We will offer a few evidences of its worth, by men of influence and high standing.

PRINCETON, ILL., Sept. 20, 1857.

Dr. Mann—Dear Sir: For several years past I have used your Ague Balsam in my daily practice, and have closely observed its effects in hundreds of cases, and in no case has it failed to produce the most happy effect. I can most cheerfully recommend it as a certain specific for chills, fever and ague, and malarious diseases.

Truly Yours, H. AUSTIN, M. D.

MARSHALL, MICH., Feb. 11, 1857.

Dr. Mann & Co.—I have sold a large amount of your Ague Balsam in this vicinity and from my personal knowledge of it, I believe it the best remedy for chills, fever and ague that has ever been sold in our state.

Respectfully Yours, O. A. HYDE.

ASHTABULA, Ohio, Jan. 1st, 1858.

Messrs. S. K. Mann & Co.—Gents: In canvassing the states of Ohio and Michigan for the sale of the different remedies of which we have control, our attention has been called to observe the great name that your ague balsam has gained for itself in every place where sold. It really seems to be the people's own remedy, and its sales more rapid than all others. It is destined to supersede all other ague remedies in the market.

Very truly yours,

A. & S. HENDRY.

NEW YORK, Feb. 23, 1858.

Messrs. S. K. Mann & Co.—Gents: I have at our house in St. Louis sold your ague balsam some three years, and have carefully observed its effects in curing, and must in all candor say, I do not believe its equal exists in all the world of medicines. To my personal knowledge it has cured permanently every time, and I have known it used after all other remedies have been tried in vain, with the most happy result; and what is more remarkable I have never known a case but what remained cured, for at least this season. I have no hesitation in recommending it as a perfect triumph over chills and fever.

Respectfully Yours,

DR. O. J. WOOD.
